It's all about You..

Your Love, in Your Words

Making Your Day
so Memorable

We all want to mark the special days in our lives with celebration.. and to make these matter, they should reflect our outlook on life.

Your Humanist wedding ceremony is unique because it embodies the notion of a very personal and spiritual ceremony which reflects you both, your personalities and your love.

Whether your style is traditional, funny, formal or casual, your Celebrant will help you compose your perfect ceremony, making it so memorable for everyone involved.

You choose the ceremony you want.. the readings, the music, the vows and contributions by others.

Deciding how to get married can be as difficult as choosing the dress or the rings, so we are here to help.

We are legally authorised to marry couples in the place and the time of your choosing because we bring your venue licence with us.

Why Choose Us?

We at Humanism in Scotland offer every couple a highly personal service which delivers a unique and memorable ceremony.

All our Celebrants are authorised to conduct legal weddings in Scotland.

We don't ask you to subscribe to our organisation or ask you to pay a membership fee.

We have years of experience marrying couples in all manners of styles and locations.. using a whole range of symbolic gestures.

We commit to only one ceremony per day, including Sundays.. and just in case the unthinkable happens, Humanism in Scotland guarantees a back-up Celebrant.
